

Energy Savers at Home

OIL PRICES SET TO FALL
Petrol is predicted to fall to 50p per litre across the UK
for Transp

**THE BIG SIX HALVE
ELECTRICITY PRICES!**

We are unlikely to see such headlines anytime soon but there is help at hand.

If you are interested in conserving energy, or generating it from a renewable source, Energy Savers at Home provides an opportunity to learn from others who have.

**18th and 19th January 2014
10.00 to 16.00**

Transition Tavistock will be running an

Open Homes weekend

Learn how to save money and energy or generate your own.

Visit home owners under your own steam or join the mini-bus tours.

for details of Open Homes, directions and to book a bus tour go to
www.transitiontavistock.org.uk
